Dutch teaches an uncoordinated Gold Fang to skate in order to save Billy from that not-so-wily wolf.

Dimwitted Gold Fang is one hungry wolf who won't be satisfied until he can sink his teeth into oh-so-juicy Billy the Goat. There's only one problem - Billy's best bud is Dutch, a clever herding dog who protects his flock of one against all of Gold Fang's outrageous schemes. It doesn't help that Gold Fang is not the sharpest pitchfork on the prairie. No matter how elaborate the plan, Gold Fang is always outsmarted by Dutch and inevitably left covered in bumps and bruises!
