Allie, a spoiled, city alligator, feels horribly guilty hunting for her food. Can Dr. Fifi cure of her of her guilty conscience? And what will happen to Fifi if she does!?

When her owners leave the house, Fifi begins her day job as cat therapist extraordinaire. Whether her patient is an oversized dog that thinks he’s still a lap puppy, an awkward teen giraffe or a kitty with a massive crush on a dog, Fifi’s quick wit and sass helps them all, one tail at a time.
